351. Mr. C. V. Iyyu *(Kunnamkulam):* Will Government be pleased to state.

(*a*) the name of the contractors who have been responsible for Panchayat works during the years 1118 and 1119 who had worked contracts for which Rs. 3,000 and over was spent;

(*b*) the names of the works check-measured by the Chief Engineer in cases where Rs. 3,000 or over Rs. 3,000 was spent;

(*c*) the total quantity of cement consumed for such panchayat works referred to above in (*a*);

(*d*) the total quantity of cement in each of the P. W. D. works for which Rs. 3,000 or above was spent in 1118 and 1119?

T. K. Nayar *(Minister for Rural Development):*

2. Mr. E. A. Antony, B.A., Contractor, Trichur
3. Mr. T. Sankaran Nayar

(*d*) A List is appended. (*Please see Appendix III*)

Mr. C. V. Iyyu *(Kunnamkulam):* May I know, Sir, that in view of answer to (b) that none has been been check-measured by the Chief Engineer, the Director of Panchayats has check-measured any?

Mr. T. K. Nayar *(Minister for Rural Development):* After his assuming charge of his Office if there is anything to be check-measured before passing the final bill the Panchayat Director would do it if he thinks it fit.

Mr. C. V. Iyyu *(Kunnamkulam):* Before that he has not done.

Mr. T. K. Nayar *(Minister for Rural Development):* Before assuming charge he has not check-measured any.

Mr. C. V. Iyyu *(Kunnamkulam):* Nor has the Chief Engineer check-measured any.

Mr. T. K. Nayar *(Minister for Rural Development):* I have already answered that.

Mr. C. V. Iyyu *(Kunnamkulam):* So nobody has check-measured such large works.

Mr. T. K. Nayar *(Minister for Rural Development):* There are works even costing 10 or 15 thousand rupees. As far as the panchayats are concerned there is no rule that the work should be check-measured by the Head of the Department. But there is a rule to the contrary, Sir, that the Assistant Engineer of the Panchayats is competent to check-measure panchayat works without reference to the cost. Such order has been passed in 1113.

Mr. C. V. Iyyu *(Kunnamkulam):* You step on the letter of the rule and not on the spirit. Public money to such a big extent should be spent only under the supervision of a senior and experienced officer as the Chief Engineer. That is what I say.

Mr. T. K. Nayar *(Minister for Rural Development):* As far as possible the letter of the rule as well as the spirit is being looked into.

Mr. C. V. Iyyu *(Kunnamkulam):* Even works costing ten thousand rupees and over have not been check-measured by the Chief Engineer.

Mr. T. K. Nayar *(Minister for Rural Development):* There is no such rule. When the Government found that it is absolutely necessary in the interests of efficiency of administration that an executive officer of the Director's experience should be posted there, they did it.

Mr. C. V. Iyyu *(Kunnamkulam)*: But before that even big works were not check-measured.

Mr. T. K. Nayar *(Minister for Rurl Development)*: No I said that it is not compulsory. But for the information of the House I may say that there are only very few works check-measured by the then Assistant Engineer costing 3 thousand and something above. For instance the Olichichira work was check-measured during the last month or so, the work which cost above fifteen thousand rupees and over which there has been allegations. This work has been check-measured by the Director.

Mr. A. B. Salem *(Mattancheri)*: Are not the work check-measured by efficient officers of the Government who can be entrusted to do such works?

Mr. T. K. Nayar *(Minister for Rural Development)*: I have already explained that.

മിസ്റ്റർ കെ. എസ്സ്. പണിക്കർ: ഒലിച്ചിച്ചിറ, ദേശമംഗലം പഞ്ചായത്തു പണികൾ ചെക്കുമെഷൻ ചെയ്തതിനുശേഷം കൺട്രാക്ടറോട് ബാക്കിയുണ്ടായിരുന്ന കറെസിമിൻറെ മടക്കികിട്ടുവാൻ പഞ്ചായത്തിൽനിന്നും ആവശ്യപ്പെട്ടിട്ടുണ്ടോ?

മിസ്റ്റർ ടി. കെ. നായർ: അധികമുള്ളതു മടക്കി വാങ്ങിക്കുകയാണ് സാധാരണ വ്യവസ്ഥ.

മിസ്റ്റർ കെ. എസ്സ്. പണിക്കർ: മുനിസിപ്പാലറ്റികളിൽ മൂവ്വായിരമോ അതിലധികമോ സംഖ്യക്കുള്ള പണികൾ നടത്തിട്ടുണ്ടെങ്കിൽ അതെല്ലാം ചീഫ് എഞ്ചിനീയർ ചെക്കുമെഷർ ചെയ്യാറുണ്ടോ?

മിസ്റ്റർ ടി. കെ. നായർ: ഉണ്ടെന്നാണ് അറിവ്.

Mr. A. B. Salem *(Mattancheri)*: May I know whether it is the price of the cement or the cement itself that is ordered to be given back.

Mr. T. P. Poulose *(Kanayannur)*: When a contractor is asked to give back cement is it the cement in kind or is it the price of it that is to be given.

Mr. T. K. Nayar *(Minister for Rural Development)*: Generally I think it is the amount that is taken back. There was no such dearth for cement till now. This question arose only very recently.

Mr. T. P. Poulose *(Kanayannur)*: I am asking the question with reference to the period after the Cement Control Order came into force.

Mr. T. K. Nayar *(Minister for Rural Development)*: I want notice.

മിസ്റ്റർ കെ. എസ്സ് പണിക്കർ: പഞ്ചായത്തു് അസിസ്റ്റാണ്ടു് എഞ്ചിനീയർ മിസ്റ്റർ സീതാരാമയ്യർ നിയമിതനാകുന്നതിനുമുമ്പു് ൧൦൦൦മോ അതിലധികമോ ഉറപ്പിക്കുള്ള പണികൾ ചീഫ് എഞ്ചിനീയർ ചെക്കുമെഷർ ചെയ്തിട്ടുണ്ടോ?

മിസ്റ്റർ ടി. കെ. നായർ: പഞ്ചായത്തിനുള്ളതായിട്ടു അറിവില്ല.

(*b*) whether during the Headmastership of Mr. P. R. Harihara Ayyar in 1119 the stock register and accounts were not properly maintained in the school for about 7 months;

(*c*) whether false monthly returns not taking into account the actual stock in hand were sent from the school to the Director of Industries during that period;

(*d*) whether the Industrial Inspector did not vist the school several times during that period;

(*e*) whether the fraud in the stock in hand amounting to nearly Rs. 400 was not detected at the time when the Literary teacher and clerk of the school was transferred from there in 1119;

(*f*) whether the Industrial Inspector did not submit to the Director of Industries along audit report setting forth the aforesaid fraud and irregularities;

(*g*) whether the officers concerned were kept under suspension pending enquiry into the complaints against them;
